

# V. 1.26.0 | 2023-08-07

## Export CSV/XLS

- Fixed export for CSV: divided field with amount (amount, price, balance, fee, etc....) and currency and export amount as number (and not as string as before) (P-477)
- Added functionality to export directly in XLS (P-478)

## Graph Data

- Correct/fixed value for tables in dashboard view and also in SystemAdmin's CompanyView/Statistics (P-479)
- Added cronjob to populate graph\_data with old data (P-479)
- Added functionalityt to populate graph\_data everytime thta have a payment and/or an entry in account\_row table (P-479)
